RED HAIR MADE RESCUE EASY.

William O'Donnell Saw Bobbie's Topknot Shining Like a Beacon Under Water, Dived and Pulled Him Out.

HAS SAVED MANY LIVES.

He Hadn't Been Out on Strike To-Day the Chances Are the Boy Would Have Been Drowned When He Fell Into the River.

The fact that William O'Donnell is or s strike is responsible for Robert Shanon's being alive to-day. Robert is ten years old, red-headed, and lives at No.

Around the Mnety-first street pier in the East River, where he plays with scores of other youngsters, he is known as "Red Top" because of his mass of

Yesterday while he was playing near the pier he tumbled into the river. The water was forty feet deep. Even had Robert been able to swim he would we had a hard time getting out, for a stone wall runs along the edge of the

Red Top's' goin' to drown!" wailed mpanions. These same boys had nean half a dozen playmates meet with test year, and when Robert tumbled in they thought it was all over with him. While they were running about and wringing their hands a short, stocky forced his way to the edge of the wall. Two little boys followed

"Don't Jump, Pop" "Don't jump in, pop," cried the older of the youngsters.

Dived and Got Him.

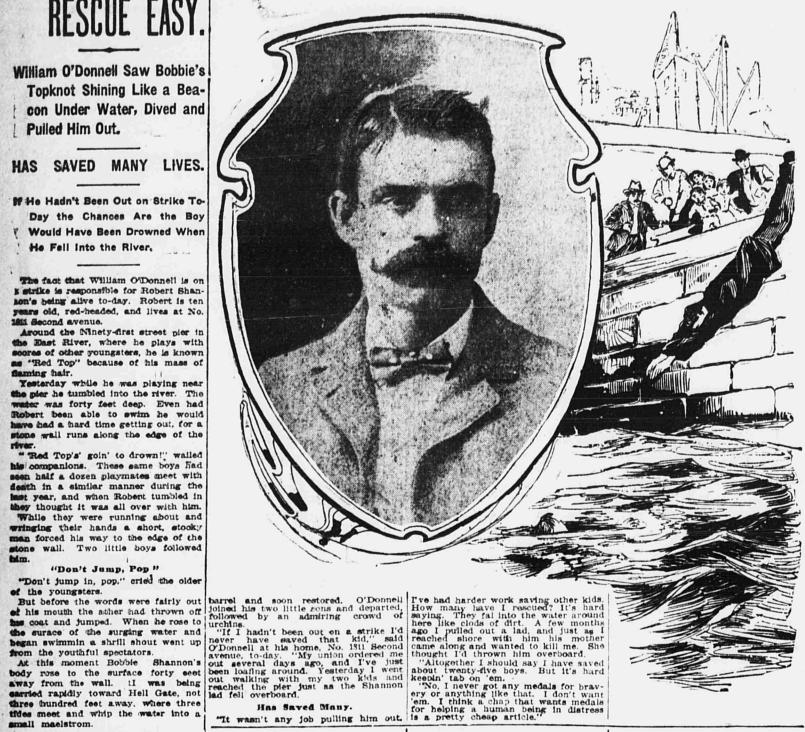

sfrength. While he was speeding ou toward Hell Gate the boy's body sank for the second time. He was within ien feet of it when it rose again, and then as it disappeared he dived after had the child's body on one of his arms teer life-saving company on the Ninety-first street pier had learned of the accident, and they put out for the pair in

"By gosh! it's Bill O'Donnell, sure as a live." said Capt. Johnson, of the lifesaving crew, as he hauled the man and vard into the boat.

Saw His Red Head.

"Yes, it's me, all right," panted Bill, "and if that kid hadn't red hair I'd "and if that kid hadn't red hair I'd called the next day to measure the never saved him. When I dived I saw windows for shades, but was not ad-

ST. PAUL THE FEATURE.

Amalgamated Copper Held Well During Session, but Fell Away-Pessimistic Feeling Still Pervades Street, but Buyers in Evidence.

Stocks suffered a break in the final ealings to-day due partly to the disappointing bank statement and the covring of shorts, while the pessimistic eeling that pervades the market also proved a weakening tendency. Losses in some of the active issues reached a

Early trading was generally at an advance, the rally at the close yesterday having reassured speculators and strengthened the list. The fair showing of Americans in London and the hope of good figures from the Clearing-House added to the promising tone. The inderlying weakness of the market, however, was evident in the ready sag

the district hero. At a large cost the "Big Fellow" will give a summer-Amaigamated Copper continued as an "Big Fellow" will give a summer-ctive feature and held firm during almost the entire session on reports that district. He promises a merry time for all. Mr. Frawley purposes to give the wives and children of his neighbors the weak speculative accounts in the stock n Boston had been tided over.

St. Paul was the leader of the list, the stock being favored on stories that n the recent decline it had been bought leavily by prominent life insurance com-

panies.

The market hardened toward noon before coming to a stop to await the appearance of the bank statement. Central of New Jersey advanced 5.7-8. Westinghouse Electric rablied 4. The heavy decline in cash in the banks prompted selling, which carried Union Pacific, Missouri Pacific, Kamasa and Texas preferred and Tennessee Coal a point or more under yesterday. There were signs of supporting orders, and prices generally did not get back to the low level of the morning.

Amalgamated Copper lost 1-4, as did American Smelting and Refining, Baltimore and Ohio, Brooklyn Rapid Transit, Chesapeake and Ohio, Denver and Rio Grande, Metropolitan Street Raliway and Norfolk and Western. Reading lost 1-2 and Rock Island 1-8.

Atchison. Missouri Pacific, Southern Pacific and Union Pacific suffered losses of 3-8 to 1 per cent. St. Paul closed unchanged, while the Eries were steady Peennsylvania gained 1-4 and Canadian Pacific and United States Steel 1-8.

Trading during the session was in the Western Reading during the session was in the Western Reading and United States Steel 1-8.
